Are you shopping for an ereader this holiday season, or do you have questions about how to use the ereader you already have? If so, drop by our ebook fair to try before you buy, and get some helpful tips. We'll be showcasing a variety of popular ereaders, and staff will demonstrate how to download free ebooks and audiobooks to your ereader, mobile device or computer.

Representatives from Best Buy and Barnes & Noble will also be on hand to give product demonstrations.
